

**City of Mobile Alabama, Mobile Landing (GulfQuest)  
Berth Application**

This berth application applies to vessels desiring to berth at the Mobile Landing opposite the GulfQuest Maritime Museum and not at the Mobile Alabama Cruise Terminal. Vessels subject to 33 CFR, Subchapter H, Part 104.105 may not berth at the Mobile Landing.

The vessel owner, operator, or agent for any vessel berthing at the Mobile Landing shall file this Berth Application Request Form with the Terminal Director at least forty-eight (48) hours prior to the arrival of the vessel.

In requesting application for berth the vessel owner, operator, or agent assumes responsibility for all charges assessable against the vessel.

In making application for berth the vessel agent indicates a desire to use the Mobile Landing under the jurisdiction of the City of Mobile and the Berth Application Request shall constitute a consent to all the terms and conditions of any and all applicable tariffs of the City of Mobile and evidences and agreement on the part of the vessel agent to pay all charges assessable to the vessel.
